Re: Public Records Request

Dear Mr. Collins,

I write to provide you with a detailed cost estimate in response to your Public Records Act request dated February 19, 2019.

We estimate that review and redactions of CAP complaint documents take about 15 minutes per complaint. Your particular request involves 5 responsive complaints. With 5 responsive complaints at 15 minutes per complaint, we estimate that review and redaction of the requested documents will take 75 minutes. There are 30 minutes for which there is no charge. Therefore, for 45 minutes, billed at the lowest possible rate under the Secretary of State's fee schedule (\$.33 a minute), your estimated cost for the requested documents is \$14.85.

Alternatively, if you would simply prefer a chart with the essential information about the complaint, that would be free because it will take under 30 minutes.

We will wait for your reply before we proceed any further with your request.

Sincerely,

Sarah Anders
